Become A Sponsor Today

We invite you to join us as a sponsor for LINKS *for* LIVES, a fundraising golf tournament event supporting the Life Flight Network Foundation. Donations to our foundation are vital to our operations, providing us with the funds to acquire state-of-the-art medical and transport equipment and offer advanced training for our employees. Proceeds from the tournament contribute directly to our mission of saving lives, helping us to deliver premier air medical resources to those in need.

As a sponsor, your organization will be celebrated as an advocate for emergency healthcare services. Your support will act as a catalyst for our vital fundraising efforts at the tournament and beyond, garnering widespread recognition with attendees and throughout our Pacific Northwest and Intermountain West service area.
